### Sickness and Illness

Can you please inform us via telephone if you expect your child to be away from playgroup for any longer than 2 days.

### Nativity Play

If any parents/carers have any photos of the afternoon performance and would like to share them with us to place them on the website please email them to Caroline.

### Expectation Flower

Our playgroup likes to share information with you, either through our newsletter or our 'little steps' board, etc. We do value your opinions and we would like to give you opportunities to share with us what your expectations are for your child during their time here with us.

We do this by putting a 'Parent Expectation Flower' on the board in room 1 and inviting you to write down your expectations and putting them on the flower. Such expectations may include:

- To make friends
- To learn to play with others
- To use scissors effectively
- To share toys
- To count to 5 or 10

Petal cards are always available for you to fill in. Please could you put your Childs name and the date on the card and hand it to one of the staff who will place it on the board for you. You are more than welcome to fill in more than one card.

### Little Steps

We have a 'Little steps' board located above the children's coat pegs. On this board we like to record achievements made at home.

This may include:

I got dressed myself this morning  
I ate all of my breakfast today  
I put my shoes on the right feet today  
I stayed dry all night  
I wrote my name

The achievements are recorded on clouds and these are readily available in the reception area for you to complete.

### Parking

Please do not park in the Manor school car park or park in the bus bay when dropping off and collecting children.
